A Big Thank You to CGC Water Treatment from Clara's Hope! We are incredibly grateful for the incredible generosity that CGC Water Treatment has shown us over the last two and a half years. They ingeniously provided a part-time administrative assistant for us. This was a tremendous help and enabled us to make significant progress over the past few years. Starting in 2024, we will be taking on this responsibility on our own. Once again, thank you so much CGC Water Treatment!

The 2nd Annual JBF Back to School Bash was a colossal triumph! Local foster and adoptive families were treated to an unforgettable experience, including a dunk tank, inflatables, a henna artist, food, school supplies, giveaways, and more. The outpouring of support has been tremendous, with families raving about the event and the generosity they received.

"We absolutely loved this event! The hennas, the toys, the dunk tank, they truly had the best time!!" Local Adoptive Parent
